

**Exclusive Access to Europe's  
Largest Semiconductor Cluster:**

Unlock your Business Potentials  
in Silicon Saxony

The logo for "GERMANY WORKS." is located in the top right corner. It features a stylized map of Germany with the top half in black, the middle in red, and the bottom in gold. The text "GERMANY WORKS." is written in white, bold, sans-serif capital letters across the red section of the map.

**GERMANY  
WORKS.**

Saxony, Germany  
June 16–20, 2025

# Join an exclusive Leadership Visit to Silicon Saxony

---

## Unlock Strategic Opportunities in Europe's Largest Semiconductor Cluster

From **June 16 to June 20, 2025**, leaders of the U.S. semiconductor industry and chip design sector are invited to an exclusive business delegation to **Silicon Saxony**, Europe's largest microelectronics cluster and manufacturing hub.

This invite-only opportunity provides **in-depth insights** into Europe's most dynamic semiconductor ecosystem, shaped by **major investments from global players**, such as Infineon, GlobalFoundries, Bosch, and TSMC. Participants will have the chance to engage with **key industry players**, visit leading R&D institutions, and explore market opportunities within a region that is home to more than 3,000 companies from the microelectronics industry.

## Why Silicon Saxony?

### Your Gateway to Europe

---

- **Europe's largest Design-to-Fab Corridor**, seamlessly integrating chip design and manufacturing.
- **Every third chip produced in Europe is "Made in Saxony"**
- **Elite talent pool**: 10,000 STEM graduates annually, backed by specialized vocational training centers, and a world-class research landscape.
- Technical University Dresden is one of Germany's 11 Universities of Excellence, and a national champion for filed patents. Dresden is the largest research location of the entire Fraunhofer Society.

## Why Join?

---

- **Engage with decision-makers** from 3,000+ ICT companies and 80,000 professionals in Europe's largest microelectronics ecosystem.
- **Exclusive insights into market opportunities and funding programs**, including the **EU Chips Act and state-level financing mechanisms**.
- **Curated company visits** to leading semiconductor manufacturers, R&D institutions, and chip design firms.
- **Attend the 19th Silicon Saxony Day** – the region's premier networking event for semiconductor executives, researchers, and policymakers.
- Deep dive into Saxony's innovation ecosystem for **AI chip design, automotive SoCs, and chiplets**.

# An Exclusive Program Tailored for Industry Leaders

---

## Monday, June 16 – Arrival & Welcome Reception

---

- Individual arrival & hotel check-in
- Reception by the Saxon Minister for Economic Affairs, Labor and Transport (tbc)
- Keynote on trends and developments in the European semiconductor industry
- Exclusive networking dinner with representatives of the Ministry of Economic Affairs, industry associations, and representatives of the ICT and chip design community in Saxony

## Tuesday, June 17 – Silicon Saxony Day & Networking

---

- Full access to Silicon **Saxony Day**, including keynotes, panels & curated matchmaking
- Exclusive networking reception at Moxy Dresden

## Wednesday, June 18 – Innovation & Research

---

- Visit to TU Dresden, and exchange on Saxony's breakthroughs in neuromorphic computing, such as SpiNNaker 2, a 10 million core processor system for brain simulation and machine learning
- **Exclusive tour of Fraunhofer IPMS**, showcasing the **APECS Pilot Line** and advancements in semiconductor packaging.
- Company visit to **Bosch Sensortec**, exploring the Design center at the Dresden site

## Thursday, June 19 – Business Development & Strategic Partnerships

---

- **Expert presentation at the Automotive Chiplet Center of Excellence**, highlighting advancements in **chiplet technology for next-gen vehicles**. Visit to **indie Semiconductor Germany GmbH**, exploring their innovative automotiveSoC design solutions
- Exclusive tour at **GLOBALFOUNDRIES Fab 1, one of the largest international investments in Europe**.
- Guided City Tour Dresden
- Closing dinner covered by Saxony Trade & Invest

## Friday, June 20 – Market Entry & Departure

---

- **GTAI briefing: "Doing Business in Germany"**
- Feedback session & discussion on follow-up activities
- Closing lunch & individual departure

## Register Now

---

This **fully-funded program** (excluding flight & hotel costs) offers **unparalleled access** to Silicon Saxony's innovation landscape. Take advantage of this **exclusive opportunity** to expand your network, explore investment opportunities, and collaborate with Europe's leading semiconductor experts.

**Spots are limited – Secure yours today!**

**Deadline to register: April 28, 2025.**
